vineyard community center
friends with our city - one life at a time

A NOTE FROM THE DIRECTOR

Spring/Summer 2013

Dear Friends,

Vineyard Community Center has been committed to helping our neighbors by sharing the talents and resources that are available to us. The majority of these resources and talents come from Vineyard Columbus church whose members donated over \$5 million to build this building. Their continued support assists in our goal of providing programming at a modest cost so that we can be the best friend this city has ever had.

This winter Vineyard Columbus began a series called “Fit for Life.” This series was all about equipping us to get the most out of life by being physically, financially, emotionally, spiritually and relationally fit. When we have our act together in these areas of our lives, we find that life goes so much better!

Therefore, we are highlighting many of these offerings that will help us be successful in these areas of our lives with the “Fit for Life” logo . Each of these programs is designed to enhance and improve our lives, so if you are dedicated to getting the most out of life, we would highly recommend any of these classes.

If you want to learn more about this sermon series, just go to this link: vineyardcolumbus.org/watch-listen/series/fit-for-life.

We are looking forward to spending time with you this Spring and Summer!

Warmly,
